

## Career paths:

This qualification is for students who wish to develop applied knowledge and practical skills within the health and social care sector. It is designed with both practical and theoretical elements, which will prepare students for career opportunities such as those in nursing, social care, teaching, social services, counselling, midwifery and other caring professions.

## What can I do after I have completed this course?

The BTEC Level 1/2 in Health and Social Care prepares students to enter employment or apprenticeships, or for a move to higher education to study a degree in the health and social care sectors or in related sectors such as nursing and the early years sector.

Students can look to undertake complementary study in BTEC Level 1/2 Tech Award Child Development. In sixth form, students can follow this subject pathways into BTEC Level 3 Extended Certificate or Diploma in Health and Social Care and/or BTEC Level 3 Extended Certificate in Children's Play, Learning and Development
