

Career paths:

Enterprise lends itself to a wide range of career paths. It can go alongside other subjects to help you understand how businesses in those fields might work or it can be used in its own right. Some career paths you can choose to go into through Enterprise could be: Starting your own Business, Marketing, Finance, Accountancy, Banking, Law, Data Analyst, Human Resources, Project Manager, Events, Retail etc.

What can I do after I have completed this course?

Enterprise is an solid foundation to prepare students for Level 3 BTECs or A-Levels. Courses that complement a foundation in Enterprise are: Business, Personal Finance and Economics. Enterprise also lends itself to the world of work and is a sought after qualification for many apprenticeships in all the fields mentioned above.
