

Year 7 Spanish Learning Journey

Transferable skills:

- Use of Grammar.
- Language structures.
- Understanding of Culture and traditions.
- Expanding vocabulary.
- Improvement of writing techniques.

Careers Links:

Spanish is the first language of 500 million people and prevalent in a huge number of industries and organisations.

Describing our daily routine and being aware of what time we do each activity everyday will help the students develop a sense of discipline and self-government, both essential qualities that they will require in the future for any job.

Describing a house with as many details as possible, focusing on decoration and furniture and being able to say the area where the house is located and the type of house that it is, could be useful qualities for a career in a real estate company, property developer, architecture or interior designer.

Skills developed for someone eager to work in the touristic industry: being able to understand a map, give directions to help others, or to have the ability of describing a city promoting the beauty of its sights and cultural elements.

¿DE DÓNDE ERES? *Where are you from?*

Links with Geography, because the students will learn how to read a map in Spanish.

Links with Geography: it will help the students locate countries on a map and learn the capital cities of each country in English and Spanish.
