Other Comments

Very organised, one of the best events I have worked at.

Students were a credit to your school

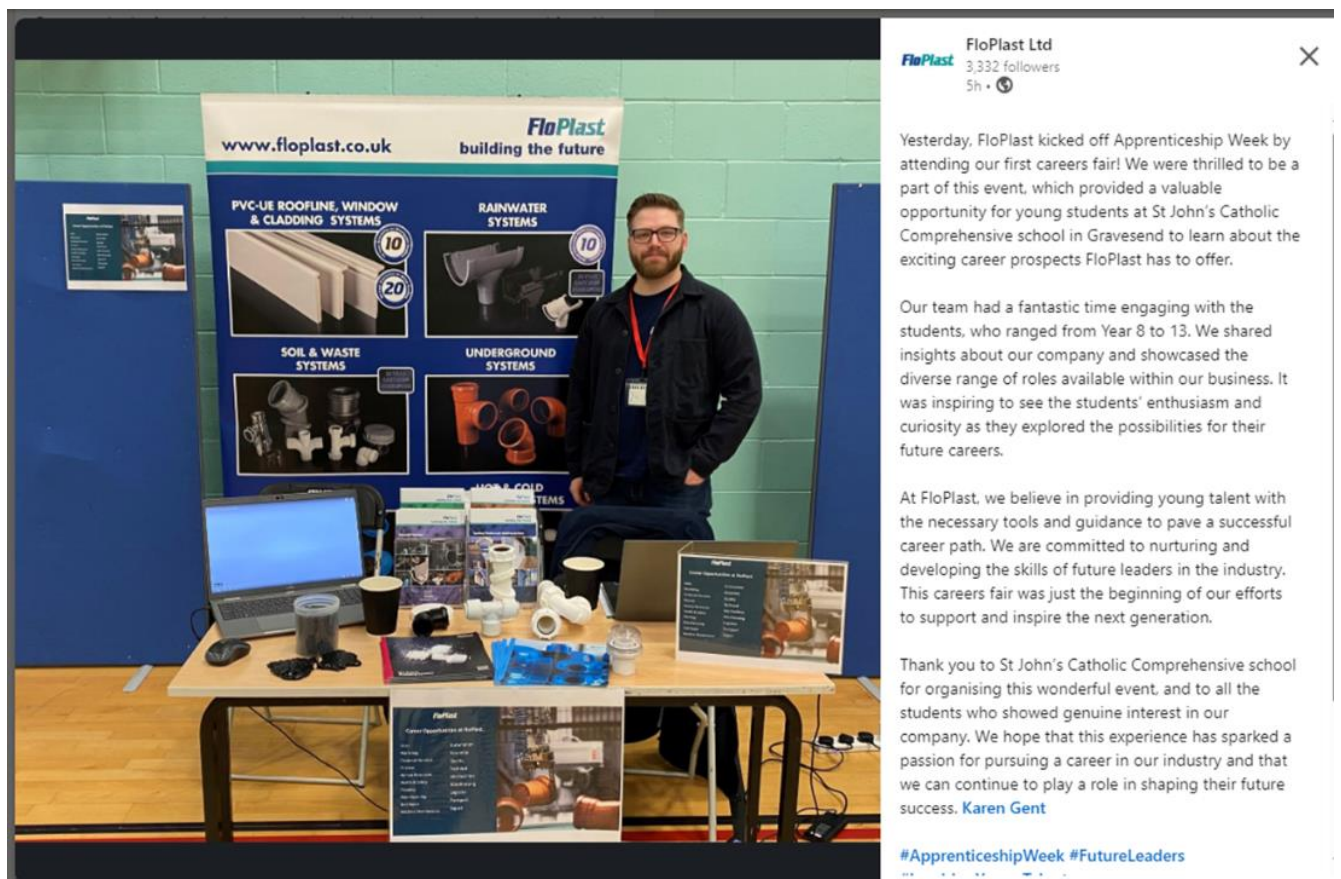

Just keep doing what you are doing. Keep being wonderful.

Student are ambitious, well behaved and a credit to you all

Students had insightful questions looking at a variety of topics and showed a great awareness of possible pathways, and the jump from school can be big!

All wanted to engage and ask questions, and are asset to your school

Students gave a great impression of the school

What a great day myself and [Hannah Taylor](#) had at the Careers Day today organised by all at [St John's Catholic Comprehensive School](#)

It really was a pleasure to provide resources/advice that can make a vital difference to students application/interviewing process when seeking their next steps out of the education sector. Furthermore, it was also so good to see how engaging students were and the excellent questions they were asking us throughout!

As well as providing a service to our clients we do always try our best to support in any other way that could make a difference to their school and the development of the next generation!

Thanks to St. Johns Catholic School for inviting us to attend your careers fair. What great students! We are enjoying sharing what it takes to work within the leisure industry and hopefully inspiring some young minds. 🙌
