Careers Journey Planner

Welcome

We are proud to welcome you to our very first STJCareers Fair.

At St John's, we are passionate about giving our young people an insight into as many industries and careers as possible in order that they can aspire to achieve their very best, with realistic but challenging goals.

Our careers team run a robust and inspirational programme & we very much hope that this careers fair will become an annual event and one of the highlights of the academic year. We hope that students find the experience interactive, with exhibitors encouraging students to ask questions, engage in conversations and try activities.

At this event there are employers, universities, educators & ex-students to inspire and challenge any stereotypes that young people may have around entry requirements and to help you to discover different career pathways to a host of job opportunities.

Students have allocated timeslots to visit the fair during the daytime.

Our school has a dedicated team of careers staff who are available to help support our students and can be contacted at stjcareers@stj.kent.sch.uk

Finally, we would personally like to extend our thanks to all our exhibitors as without their continued support these, and other careers-focused initiatives, would not be possible.
