

27th January 2017

Year 12 Milestone Report 2 and Parents' Consultation Evening on 1/2/2017

Dear parent or carer

Firstly, please find your son or daughter's Milestone 2 report enclosed. Where applicable, the grades indicated will reflect the results of any AS Level mock exams taken towards the end of the last term.

You and your son or daughter will have the opportunity to discuss this report and other aspects of their progress, as well as expectations for the months ahead, with respective subject teachers at the Year 12 parents' consultation evening on Wednesday 1st February between 4.00pm and 6.30pm.

In addition to the opportunity to discuss your son or daughter's progress to date and future expectations; this event will also provide an ideal opportunity for you to agree on any actions or interventions. These may be required to improve further in preparation for either moving on to the next stage of their academic career or entry into the workplace.

Currently, every Year 12 student issued with an 'appointment sheet' is in turn strongly encouraged to be proactive in arranging timeslots to meet with their teachers at the consultation evening. In addition to subject teachers being available, members of the Sixth Form Management Team, including myself, will also be available to discuss any broader matters including the requirement for students to arrange work experience later in Year 12.

Finally, research evidence indicates a clear link between parental engagement and increased levels on positive student outcomes in the sixth form, so I sincerely hope that we can look forward to receiving both you and your son or daughter on February 1st.

Yours faithfully,

Mr Michael Murray
Head of Year 12
