1. Aims

Our policy on school uniform is based on the notion that school uniform:

- › Promotes a sense of pride in the school.
- › Engenders a sense of community and belonging towards the school
- › Is practical and smart
- › Identifies the pupils with the school
- › Prevents pupils from coming to school in fashion clothes that could be distracting in class
- › Makes pupils feel equal to their peers in terms of appearance
- › Is regarded as suitable wear for school
- › Is designed with health and safety in mind
- › Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- › Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- › Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- › Make sure that our uniform costs the same for all pupils
- › Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- › Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- › Allow pupils to request changes to swimwear for religious reasons
- › Allow pupils to wear headscarves and other religious or cultural symbols
- › Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the school who can answer questions about the policy and respond to any requests

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- › Is available at a reasonable cost
- › Provides the best value for money for parents/carers

We will do this by:

- › Carefully considering whether any items with distinctive characteristics are necessary
- › Limiting any items with distinctive characteristics where possible for example, by only asking that the blazer, worn over the jumper, features the school logo
- › Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties
- › Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
- › Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- › Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- › Avoiding different uniform requirements for different year/class/house groups
- › Avoiding different uniform requirements for extra-curricular activities
- › Considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters or labels
- › Making sure that arrangements are in place for parents to acquire second-hand uniform items
- › Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- › Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

4. Expectations for school uniform

4.1 Our school's uniform

All students in Years 7 to 11 must wear the correct school uniform when travelling to and from school, during the school day and on journeys, events and visits arranged by the school. The school uniform must be worn tidily and correctly. The school reserves the right to send students home to change if they are not in the correct clothes and to confiscate items of inappropriate clothing.

In the event of a breach that cannot be resolved, the pastoral manager will contact the pupil's home to inform the parents of the school's decision. If the decision means the student needs to be sent home and the pupil lives too far away, or they cannot gain entry to their home, the pastoral manager inform the parents that the pupil will be placed in an alternate internal provision until they are wearing the correct uniform. Hairstyle is considered part of our uniform policy.

We will always:

- **Call home to parents and explain the breach.**
- **Explain to the student where there is a breach.**
- **Deal with the breach and make right wherever possible (wipe off nail varnish/make-up or remove items).**
- **Give parents/students 24 hours to remedy the breach where necessary. A note will be placed in the student's diary by their Year team.**

Jewellery

On health and safety grounds, we do not allow pupils to wear jewellery in our school. The exceptions to this rule are one pair of small (no larger than 3mm) plain silver/gold earring studs pierced in the lobe of the ears, and small objects of religious significance, such as a crucifix on a chain (these must not be on show). We ask the pupils to either remove these objects during PE and games, or cover them with a plaster, to prevent them from causing injury.

Where items of a religious significance are worn, a letter detailing the item and religious meaning must be provided and addressed to the students Head of Year. Any neckless/jewellery of non-religious significance seen will be confiscated.

Any items of jewellery not complying with this policy will be removed from the student, placed in an envelope for parents to collect from the school.

Extreme haircuts

The school does not permit pupils to have 'extreme' haircuts that could serve as a distraction to other pupils, or to dye their hair an unnatural colour. There should be no decorations (beads/braids) woven into the hair and any ties/hairbands should be black or navy blue. The final decision on whether a haircut is 'extreme' will be at the discretion of the Headteacher or a representative.

Make-up

Make-up should be light and discrete (it should not be noticeable). No nail varnish or false eyelashes should be worn to school. Body piercings, fake tans or tattoos are not accepted at school.

Footwear

The school wants all pupils to grow into healthy adults. We believe that it is dangerous for pupils to wear shoes that have platform soles or high heels, so we do not allow pupils to wear such shoes in our school. Neither do we allow pupils to wear trainers to school; this is because we think that this footwear is appropriate for sport or for leisurewear but is not in keeping with the smart appearance of a school uniform. We require all pupils to wear shoes as stated in the uniform list. If there is a medical reason for shoes not to be worn, then the school will require evidence from a medical practice (GP) and/or a letter to the students Head of Year from the parents.

Pupils are expected to wear the correct uniform at all times (other than specified non-school uniform days) while:

- › On the school premises
- › Travelling to and from school
- › At out-of-school events or on trips that are organised by the school, or where they are representing the school (if required)

Pupils are also expected to contact the school (office@stj.kent.sch.uk) if they want to request an amendment to the uniform policy in relation to their protected characteristics.

5.2 Parents and carers

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is:

- › Clean
- › Clearly labelled with the child's name to prevent uniform from getting lost.
- › In good condition

Parents are also expected to contact the school (office@stj.kent.sch.uk) if they want to request an amendment to the uniform policy in relation to:

- Their child's protected characteristics
- The cost of the uniform

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner.

Disputes about the cost of the school uniform will be:

- Resolved locally
- Dealt with in accordance with our school's complaints policy

The school will work closely with parents to arrive at a mutually acceptable outcome.

5.3 Staff

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply, but ongoing breaches of our uniform policy will be dealt with by the students' Year teams in liaison with the Pastoral Lead.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

5.4 Governors

The governing board will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school
- Takes into account the views of parents and pupils
- Offers a uniform that is appropriate, practical and safe for all pupils

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.

6. Monitoring arrangements

This policy will be reviewed annually by the Head Teacher & senior assistant headteacher (Pastoral). At every review, it will be approved by governing body.

7. Links to other policies
